Dear Assoc. Prof. Dato' Dr Hanafiah

**RE: Complimentary Registration – Annual Scientific Congress 2019 – Bangkok, THAILAND**

On the recommendation of the RACS Global Health Scholarships Committee, I am pleased to offer complimentary conference registration for (2) younger fellows of your institution (within 10 years of gaining Fellowship) to the RACS Annual Scientific Congress (ASC) to be held at the Centara Grand & Bangkok Convention Centre, Thailand from 6 - 10 May 2019. The intention is to foster ties between the surgical institutions in the Asia-Pacific region.

The only limitation to the selection of suitable candidates is that the scientific program for the 2018 Congress, whilst it is extremely comprehensive, contains no Burns, Hand Surgery, Neurosurgery or Urology component.

The Grant will fund conference registration, dinner within the delegates section or specialty, and two Master Classes of the delegates' choice (pending availability). On Monday, 06 May the selected delegates are invited to attend the Global Surgery Breakfast at 7.00am and Welcome Reception at 6.30pm the same day. More information will be provided for the breakfast session nearer to event date.

**Please provide the names of your selected delegates and their email addresses to Ms Aishah Ishak on the details above.**

If you wish to receive a copy of the Provisional Program, please confirm the postal address and the Program booklet will be posted to you.

Registration forms must be received **by Monday, 11 March 2019**. For further inquiries, please contact: Aishah Ishak, either by Email: [aishah.ishak@surgeons.org](mailto:aishah.ishak@surgeons.org), Telephone: +61 3 9249 1137 or Fax: +61 3 9276 7431.

Please note that the selected delegates should send their registration forms directly to Ms Aishah Ishak. **They must not register online.**

Further details regarding the meeting and the program can be obtained from the congress website (<http://asc.surgeons.org>).

We look forward to welcoming your selected delegates to the meeting.

Yours sincerely

**Assoc Professor Michael Hollands FRACS**  
**Chair, RACS Global Health Scholarships Committee**
