ADVANCED TRAUMA LIFE SUPPORT

COURSE INFORMATION

PROVIDER COURSE FOR DOCTORS

The ATLS Course is an intensive 2 ½ day course designed by the American College of Surgeons to equip the participant with the knowledge, technical skills and decision making skills to improve the care of patients with multiple injuries. In order to maintain high standards and adequate supervision, only 16 participants are taken for each course.

WHO SHOULD ATTEND

Surgical trainees, Accident & Emergency physicians, search and rescue doctors, military doctors and doctors working in rural areas and war zones.

ENTITLEMENTS

1. Course manual
2. Lunch, morning and afternoon tea breaks
3. Skill stations
4. Interactive lectures
5. Small group sessions

CANCELLATION OF REGISTRATION

Provided notification of cancellation is received 5 weeks before the date, 50% of the fees will be refunded. No refund will be made for cancellation made within 4 weeks before the course date.

DISCLAIMER

Whilst every attempt will be made ensure that all aspects of the Course published in this announcement will take place as scheduled, the CSAMM is at liberty to change the teaching faculty in the event the need arises for whatsoever reason.
