

# NOTSS (Non-Technical Skills for Surgeons) Masterclass

Virtual Course  
Date: 25<sup>th</sup> September 2021  
Time: 0830 – 1600 hrs

This is a one-day Masterclass for surgeons and trainees with an interest in training, who already have some knowledge of human factors, and how these can influence surgical performance. Short lectures, video scenarios, interactive sessions and audience feedback systems will be used to discuss the non-technical skills which underpin good surgical performance, how these can be observed and rated, in addition to the use of feedback.
